

Name _____ Date _____ Per _____

Setting Expert – As the setting expert, your role today is to find clues within the text of the story which will help determine **when** the story takes place as well as **where**. We know that the story was published in 1843. What clues would help us to determine 1843 as a possible time period for the setting? Conduct some research on the item(s) to help determine when or where (or both) the story takes place.

Two items are required. Three items = extra credit

| Clue Item | Quote found in text | Page # | Paragraph # |
|--|--|----------|-------------|
| Shutters | "His room was as black as pitch with the thick darkness (for the shutters were close fastened through fear of robbers)" | 1 | 4 |
| Explanation: In looking up the history of indoor shutters, it can be discovered that they were commonly used in New England during the 19 th century. See History of Shutters – | | | |
